2. Scope and Nature of the Booking Platform

Travel and Activities Services

By using the Booking Platform in order to make a reservation and/or purchase Travel and Activities Services, you enter into a direct legally binding contractual relationship with the Provider in which you make a reservation and/or purchase Travel and Activities Services as applicable. From this point we act solely as an intermediary between you and the Provider. We transmit the relevant details of your reservation and/or purchase to the relevant Provider(s) and send you a confirmation email for and on behalf of the Provider. We do not (re)sell, rent out, offer any (travel) product and/or service.

When rendering our Booking Platform, the information that we disclose is based on the information provided to us by the Provider(s). As such, the Provider(s), and not CTS, is/are fully responsible for accuracy, completeness, and correctness of all rates/fees/prices, availability, policies, conditions, and other relevant information that gets displayed on our Booking Platform. Therefore, we cannot verify and guarantee that all information is accurate, complete, or correct, nor can we be held responsible for any errors (including manifest and typographical errors), any interruptions (whether due to any temporary and/or partial) breakdown, repair, upgrade, or maintenance of our Booking Platform or otherwise), inaccurate, misleading, or untrue information, nor non-delivery of information. Each Provider remains responsible at all times for the accuracy, completeness, and correctness of the (descriptive) information (including the rates/fees/prices, policies, conditions, and availability) displayed on our Booking Platform.

Due to the inherently limited inventory in the travel industry, the availability of specific services or features such as room upgrades or amenities is not guaranteed and may be subject to limits on availability or price, which may vary. CTS will make every reasonable effort to source the best possible price, but prices may increase above the initially published price due to limited inventory availability.

Benefits

By using any Benefits from the Membership during your trip (e.g., by visiting the airport lounge) you enter into a direct legally binding contractual relationship with the Provider in which you make a reservation, purchase a product and/or service (as applicable). From this point we act solely as an intermediary between you and the Provider. We transmit the relevant details of your reservation and/or purchase to the relevant Provider(s) and send you a confirmation email for and on behalf of the Provider.

Benefits are booked subject to the Providers T&Cs which may contain restrictions imposed by a Provider, such as minimum or maximum age requirements, travel insurance and visa requirements. It is your responsibility to ensure that you are able to comply with the Providers T&Cs and booking terms, including any such restrictions or requirements, before booking. CTS shall not be responsible for your failure to comply with such restrictions or requirements, where you have been advised of these on or prior to booking.

3. Access to the Booking Platform

After your successful enrolment in the Membership, you can enter the Booking Platform where you will be able to make use of the Travel and Activities Service and Benefits applicable to your chosen Membership Tier. The Access Credentials needed to enter the Booking Platform are the same Access Credentials used for enrolling into the Membership. You understand and acknowledge that any person able to use your Access Credentials will have full access to your Account, and you agree that by sharing your Access Credentials any such person is authorised by you to represent you for purposes relating to the Membership, including receiving information about and making changes to your Account, and adding, modifying, or cancelling the Membership.

If you do not wish for another person to represent you or access your Account information, keep your Access Credentials confidential. You are responsible for all actions taken by third parties using your Access Credentials.

4. Acceptable Usage

The content and information on this Booking Platform as well as the infrastructure is proprietary to us, ACN or our Providers. By using or utilising the Booking Platform you agree to the following:

- a. not to reproduce, duplicate, copy, sell, trade, resell or exploit for any commercial purposes, any portion of the Booking Platform, use of the Booking Platform, or access to the Booking Platform.
- b. not to use the Booking Platform to collect personally identifying information about users of the Booking Platform.
- c. not to attempt to gain unauthorised access to other computer systems or networks connected to the booking Platform.
- d. not to use the Booking Platform for any illegal purpose.
- e. to use the Booking Platform in compliance with the laws, rules, and regulations applicable in your country ("Applicable Law") and any other location where you are using the Booking Platform.

Any violation of this Agreement may result in the revocation of access to the Booking Platform and termination of your Membership.

5. Correspondence and Communication

Some of the information that you must provide to us is personal data that is subject to applicable data protection laws ("Personal Data"). This Personal Data may be shared with our parent, subsidiaries, and other affiliated entities (collectively, "Affiliates") and third-party data sources and service providers in accordance with the Privacy Policy.

At all times during your usage of the Booking Platform, you agree to keep all Personal Data provided to us up to date, accurate, and complete, including without limitation your email address. You may update your Personal Data by contacting our customer service department, or for certain Personal Data by accessing your Account via the member portal located on the Booking Platform. Communications will be sent to the email address that you provide during your Membership enrolment, and it is your responsibility to keep the primary email address listed on your Account with us up to date so that we can communicate with you electronically. You understand and agree that an electronic communication is deemed successful once emails are sent to the primary email address listed on your Account, and our notice to you will be deemed to have been given on the first business day after sending by email.

By making use of the Benefits or purchasing Travel and Activities Services, you agree to allow us to share your Personal Data with the relevant Provider(s) and agree and understand that you may receive communications relevant to the Benefit or purchased Travel and Activities Service from the Provider(s), such as service announcement or administrative messages. We may help facilitate the communication between you and the Provider(s), but we cannot guarantee that any request or communication with the Provider(s) will be duly and timely received/read, complied with, or accepted by the Provider(s). You may revoke your consent in writing by emailing EU.privacyofficer@acneuro.com or by utilising the unsubscribe option contained within an email or text communication.

In the event that we or our Provider(s) are unable to deliver email messages to you after multiple attempts due to reasons beyond our control

(i.e., your email address is no longer valid, your email box becomes full, or your email provider sends our communications to a SPAM or junk e-mail folder), or we discover that any other portion of your Personal Data is or becomes inaccurate, then the rendering of the Benefits and Travel and Activities Services may be hindered and we may suspend all or any portion of the Membership pending resolution of the issue.

6. Payments

If applicable and available, CTS may offer the opportunity to facilitate (through third party payment processors) the payment of the relevant Benefit and Travel and Activities Service for and on behalf of the Provider. Payment is safely processed from your chosen Payment Method to the Provider through a third-party payment processor. For certain Benefit and Travel and Activities Service, the Provider may allow for payments to be made at the time of your stay, in that case CTS will pass on your Payment Method information to the Provider so they can successfully process your payment. You will not hold CTS liable or responsible for any (authorised, (allegedly) unauthorised or wrong) charge by the Provider and not (re)claim any amount for any valid authorised charge by the Provider of your credit card.

Hotel Credits can be used towards partial payment of the Provider of hotel services for bookings made and paid online through the Booking Platform for the eligible offers. Hotel Credits cannot be used for non-hotel services or for payments towards future payable Fee. The amount of credits you can use on a single hotel reservation is variable and based on Supply & Demand. Some hotels require payment upon check-in, and Hotel credit use will not be available for these venues. Each hotel in the booking platform will list the number of credits you can use, and this will be visible prior to reservation bookings. Hotel credits expire 24 months from allocation to member. If a member cancels their subscription or if payment is not received after 8 days and 3 payment collection attempts following the membership payment due date, the member will forfeit any previously accumulated Hotel Credits that are unused as at the time of cancellation or 8 days and 3 payment collection attempts after payment due date where no payment has been received.

7. Refunds and Cancellations

By purchasing a Travel and Activities Services and or Benefit with a Provider, you agree and accept the relevant Provider T&Cs, including their relevant cancellation and no-show policy. The relevant Provider T&Cs can be obtained with the relevant Provider. The general cancellation and no-show policy of each Provider is made available on our Platform prior to your purchase. You may cancel or change your Service, but you may be charged a cancellation or change fee which shall be indicated in the relevant Provider T&Cs. If you wish to cancel or change your reservation, please contact us via the chat icon on the Booking Platform so that we can assist you in arranging this.
